Medals & Awards

Laser-Engraved Crystal Sculptures

Exquisite laser designed crystal awards are a unique beautiful keepsake that can be customized with images and text, making them a perfect personalized show of appreciation. There are many unique shapes and sizes available.

Hand-Crafted Medals

Our Medals of Valor, Heroism and Achievement are each meticulously hand-crafted out of the finest metals and finishes. Many of our medals can be personalized with engraving and have interchangeable lettered panels and seals. Our complimentary commendation bars are available in 1000's of size and color combinations.

Let us know how we can help you commemorate a special event.

- Laser-engraved crystal
- Hand-crafted medals
- Die cut and laser engraved commendation bars
- Lucite embedments
- Commemorative custom badge

Lucite Embedments

A Lucite embedment offers an elegant way to showcase a treasured badge. Lucite is available in a variety of shapes, sizes, and colors. Show your gratitude with a Lucite embedment, and help preserve that special memento with beauty and dignity for generations to come.
