EXPERIENCE MEETS INNOVATION

UNLIMITED COLORING™

Because demand has grown for a more advanced use of color on metal badges we developed our proprietary technology. It enables us to cost effectively add color to a metal badge without disrupting the detail in the metal. We can add unique designs without the need for a new die.

FLEXBADGE®

A 3D flexible alternative to the traditional law enforcement patch and direct embroidery. FlexBadge is exceptionally detailed and has a metallic finish, thus it conveys authority. We have close to 200 standard styles that are available with no minimums, and we have custom offerings.

AWARENESS BADGES

Bringing awareness to the fight against Breast Cancer, Autism, and other causes was the catalyst for our colorful awareness badges. We take pride in being the first badge manufacturer to bring awareness badges to the market. We donate 10% of sales from our Breast Cancer line to charity.
